PRESBYTERY OF ST. ANDREW

# HUNGER ACTION GRANTS

Since 1992, Cents-Ability offerings (formerly “2 Cents a Meal”) have supported organizations working to relieve hunger within the bounds of our presbytery. Our pennies and dollars add up: in the 32 years that our presbytery has been collecting for this fund, **\$345,717.25** has been donated and given to organizations working to end hunger here in northern Mississippi.

The need for food assistance continues to grow. Each year, organizations addressing food insecurity in our presbytery can apply for a Hunger Action Grant of up to \$1,000. The Presbytery Mission Committee’s goal for 2025 is to distribute **\$12,000** in grants. As of the end of September, available funds total **\$6,312.71**. We need your help to reach that goal. If we all chip in, together we can make a difference.
